

MU IOTA

The Dayton Chapter of Delta Kappa Gamma

First off, I want to say how excited I am to be your President for the next biennium! (2 years, for those of you who don't know what that means!) I'm looking forward to a great year of inspiring and educational programs from our chapter members. We have some great things planned, and I can't wait to share them with all of you!

Don't forget... we will begin with a light snack at 5:15 and our meeting will begin at 5:30 at the DISD Administration Building on Monday, September 12. I hope to see you on Monday at 5:15 for some fun, food, and fellowship!

Apples for Educators

Each month, two members will be honored as recipients of "Apple for Educators" in recognition of the impact they have had on education.

The following month, those two recipients will choose two new members to highlight with a short dedication to continue the honor.

AREA II WORKSHOP

This weekend, Laura Ressler and Leanne Strickland will be traveling to Port Neches to attend the Area II Workshop and are excited to share all the great information they learn while in attendance. Thank you both for representing our organization, we look forward to hearing all about it.
